### FUN FAMILY MATH NIGHT

Last night we had a great time playing math games and learning some new strategies for practicing our math skills. Special thank you to the School Council members, Corryn Mounstephen and Michelle Walbank for volunteering and organizing. Thank you to Jacqueline Yeatman for designing our brochure. Also, special thanks to Dr. Ruth Beatty and Mrs. Kate Cooper from Lakehead University as well as the Faculty of Education students from Lakehead. ### A GREENER Tomorrow!

Earth Hour is Saturday March 25<sup>th</sup>, 2017 at 8:30pm

Earth Day is Saturday April 22<sup>nd</sup>, 2017!

As Canadians, we choose a future where climate change is no longer a threat. Participating in WWF’s Earth Hour is a simple way to show that you want to be a part of the solution and it sends a powerful message that together we can make a difference. It’s the biggest movement for our planet. Last year 178 countries and territories took part. Earth Hour shines a light on the most critical climate issues we face.

Canada will be encouraging participants to turn off their lights for an hour and to share their participation on social media using the hashtag #uneheurepourlaterre.

Earth Hour belongs to you. Celebrate your commitment to the planet with your friends, family, community or at work – in your own way. A simple event can be just turning off all non-essential lights from 8:30 p.m. to 9:30 p.m. on Saturday, March 25<sup>th</sup>, 2017. We will be recognizing Earth Hour at school on Friday, March 24<sup>th</sup>.

For one hour, focus on your commitment to our planet for the rest of this year. To celebrate, you can have a candle lit dinner, talk to your neighbours, stargaze, play board games, screen an environmental documentary post the hour, create or join a community event – the possibilities are endless. You will be joining millions of other people who take part each year.

### Yearbook Orders have gone home!

Thank you to Mrs. Fisher for your work on our amazing yearbook! Yearbooks cost **\$21**. There will be no savings on additional copies as in past years.

You can order through Cash Online **OR by paper order form with cash or cheque, payable to W.R. Best P.S. by May 10<sup>th</sup>, 2017**

## SWEATER DAY AT W.R. BEST!

According to World Wildlife Fund, over a million Canadians have participated in National Sweater Day, since 2010. National Sweater Day is a fun way to learn about the importance of saving energy, and inspire you to use less heat all winter. Heating accounts for 80% of residential energy use in Canada, and is a significant source of emissions. If all Canadians lowered their thermostats by just 2 degrees Celsius this winter, it would reduce greenhouse gas emissions by about 4 megatons – equivalent to shutting down a 600 megawatt coal-fired power station. This year **W.R. Best** took part in National Sweater day by: requesting their heat be turned down on February 2nd, distributing information about the environmental impact of our heating practices, as well as conducting a two week used sweater collection. Over two hundred sweaters were collected and were distributed to the less fortunate. Thank you to all of those who donated and participated in the event by wearing a sweater and demonstrating how we can make a difference, to climate change, by reducing emissions caused by heating.

## EASTER FOOD DRIVE

**Our school is participating in the Easter Food drive this year and will be donating to the Barrie Food Bank. We will be accepting non-perishable food items starting April 3<sup>rd</sup> to April 13<sup>th</sup>. Thank you. ☺**

### Get outside to play on March Break

Active play does more than help kids to achieve the 60 minutes of physical activity they need every day, it supports their development in many ways – especially when the play is outdoors, self-directed and fun. This allows kids to test boundaries and problem-solve, develop social skills and resolve conflict, and learn to control their emotions and behaviour. Active play outdoors in the fresh air and nature also helps to improve mood and lower stress. Support your child to play outside with friends in the neighbourhood and at your local park as much as possible.

## MARCH IS NUTRITION AWARENESS MONTH

### Packing a Healthy School Lunch

A school lunch should give children the energy and nutrients they need to be ready to learn, be more alert and perform better at school. When planning lunches keep these tips in mind:

~ include one serving from at least three of the four food groups from Canada's Food Guide

~rather than buying pre-made lunch kits, make your own healthy "lunch kit" with divided containers and small "bite-sized" cheese cubes, left over chicken chunks, veggie sticks or fruit slices

~get your kids to eat more veggies! Send cucumber coins, zucchini sticks, and pepper strips with dip

~fill whole wheat or multi grain wrap/pita/tortilla shells with your child's favourite foods such as hummus and grated carrot or sliced turkey with mustard

~water is the healthiest choice to quench thirst

## We are taking part in the Great Big Crunch!

### What is The Great Big Crunch?

The Great Big Crunch is a special day of good food education, ending with a massive, synchronized bite into a crunchy apple to celebrate.

**The 2017 Great Big Crunch will be taking place on Thursday, March 9<sup>th</sup> at 2:10 pm E.S.T.**

Join us to:

- promote, celebrate and enjoy healthy snacking
- highlight availability of local produce all year round
- use fruits and vegetables as the centerpiece for activities on cooking and tasting, nutrition, soil and composting, sustainability, community development and more!
- celebrate Nutrition Month!

Anyone can participate! We want students, teachers and individuals across the country who are interested in learning more about locally grown fruits and vegetables to join us in a cross Canada salute to healthy and local eating.

For the record.....

- In 2009 28,863 students participated in 125 schools from coast to coast, with teachers, staff and parents in a cross-Canada synchronized apple crunch.
- In 2010 nearly 64,000 students from across Canada joined The Great Big Crunch 2010—a well as some from Amsterdam and Morocco!
- In 2011 The Great Big Crunch was a victory for Food Literacy across Canada with 11,352 Crunchers tallied. Apple Power!
- In 2012 we heard the loudest crunch yet with 148, 095 incredible crunches in over 260 schools across Canada!
- 2013 brought us up to half a million crunchers since we started in 2008 – way to go!
- In 2014 we had 100,097 crunchers get on board – AMAZING!
- In 2015 we had 185,655 crunchers in over 450 crunch sites that bring the total since 2008 to 785,000.

## BARRIE COLTS NIGHT- A BIG HIT!

Thank you to everyone who participated in our 7<sup>th</sup> annual Barrie Colts fundraiser event. It was a great family evening and a good time was had by all. With your support we were able to raise over \$1,200. These funds go directly towards the purchase of technology for our school. It was truly a team effort and great for school spirit.

Anastasia Stevens sang O'Canada, once again, before 4500 spectators! She did a beautiful job and represented our school in fine fashion.

We hope to offer this event again next year.

## Events at Eastview Secondary School in April

On April 10 at 7 p.m., Eastview Secondary School will host a screening of the film *Screenagers*, a study of growing up in the digital age. Physician and filmmaker Delaney Ruston created *Screenagers* to probe into the vulnerable corners of family life to explore struggles over social media, video games, academics and internet addiction. This presentation will help parents learn how tech time impacts kids' development and offers solutions on how adults can empower kids to best navigate the digital world.

On April 12 at 7 p.m., the school welcomes financial literacy expert Robin Taub, the author of the best-seller, *A Parent's Guide to Raising Money-Smart Kids*. Her presentation will cover why it's important to teach kids about money, as well as the challenge of being a good financial role model. She will explain how to address money-related topics with young kids, pre-teens, teenagers and emerging adults.

All parents/guardians are welcome to attend the above events. For more information, please contact Eastview Secondary School at 705-728-1321. The school is located at 421 Grove St. E. in Barrie.

## Student information notice for parents of Grade 8 students

As students progress from elementary school to secondary school, important personal student information is shared which eases each student's transition. Sharing this information also improves our ability to program effectively to benefit all students. Select student information will be shared at different times as appropriate. The collection and use of personal student information for such purposes is authorized under sections 170, 171, 190 Part X and Part XIII of the Education Act. All information used for the transition process is limited, secure and protected at all times. Please contact *Stuart Finlayson* Superintendent of Education for this area, if you would like more information about the transition process at *W.R. Best Memorial Public School*.

## SCDSB Media Fest: What Does Being a Great Canadian Look Like?

Students are invited to submit an entry for the 2017 SCDSB Media Fest. This media festival is open to all Simcoe County District School Board students and can include images, audio and video. ## Feel like your teen is always on?

Ever consider how all those minutes your teen spends sitting using electronic devices, watching TV or even playing video games add up every day? By replacing some of their screen time with physical activity, you will be helping them to become healthier, reduce stress and be more likely to feel happier and more confident. Here are some ideas to suggest to your teen:

- organize a pick-up game of baseball, ball hockey or basketball
- check out a local nature trail with friends
- try something new like disc golf!

Set a goal to limit screen time to less than two hours each day.

*Information provided by the Simcoe Muskoka District Health Unit*
