May 10, 2017

Dear W.R. Best families,

We are selling water bottles to raise money to buy a tower garden for another school called Eenchokay Birchstick School. We are selling them because the school is in Pikangikum, Ontario and it is so far up north that they have trouble growing vegetables. Vegetables get flown up to Pikangikum but they are very expensive to buy and might not be as fresh as what we eat. A tower garden would let them grow vegetables indoors all year long. Vegetables are important to eat because they have lots of vitamins.

Reusable water bottles are very important to the environment because you can reuse them rather than throw them in the landfill. We are taking orders for water bottles that are personalized for you! Please fill out an order form with all your information in order to get one or more water bottles. The water bottles are \$15 each. The order form is due back to the school by Wednesday, May 24th, 2017, EVEN IF YOU CHOOSE TO PAY ONLINE.

Thank you for your support,

Mrs. Knott and Mrs. McRob's Grade 3's
