

WR Best Parent Council Meeting

May 17, 2021

Present: Dianna Wright-Drzazga, Christine Patterson, Meagan Hawkshaw, Krista Vanzuillekom

Welcome

Last meeting of the year!

Principal's Report

Still doing online learning, waiting to hear if we will be back after June 2nd. Busy time of the year: graduation planning: hoping to do some sort of in person event but will likely have to be virtual. Hired an outside company to help with setting up the online graduation presentation.

Welcome to Kindergarten this Thursday – virtual presentation. 45 minutes presented to parents 4:15pm.

Financial Updates

Pro Grant form was sent in today saying science night happened. \$960 of the \$1000 allotted. Picnic tables have been ordered, everything COVID delayed, should be in place before the start of school year.

Gr 8 Grad spent on awards and the outside company and grab bags. Teachers will put in money for consumables over the course of the year.

Chair Updates / Information

Sub Committees

A) Fundraising

-Fundscrip - @ 123 purchases.

-Need to look at different ideas going forward. Basket raffle could be done at end of October, but need to look into the lottery license with the municipality.

-Flower gardens for the Springtime. Percentage of anything bought would go back to the school.(Bradford Greenhouses)

B) Year book

Going well, Michelle has everything that she can have. Just needs the front and back cover photos. Delivery will be for September, not likely to get done before end of June.

C) Bazaar

Had a committee meeting last Wednesday. Plan is to cancel the Bazaar for the fall of 2021. Better off to not worry about the stress of it in the fall, may want to move it to the Spring. We are unable to do any online auction unless it was only for the families of the school and there is too much stress on local businesses that we usually ask for donations.

Old business

Reusable bags – will get them ordered ASAP. Want to have them for September as a Welcome Back sort of thing.

New Business/ Questions

First meeting of the school year must be within 30 school days of school starting as we need to have elections. Sept 27 or Oct 4 most likely.

Have a great summer!
